OVERVIEW

Transform the future with Bbot, powering the food hall experience worldwide. With one-stop mobile ordering, highly configurable branded menus, and more, your guests are empowered to sample all you have to offer.

How it works for the guest:

1

Scan QR

Guests enter a location code (or QR) to view the menu(s).

2

Connect Menu

Guests order from your branded online ordering menu.

3

Browse Menus

Orders get sent to the Bbot tablet or your POS printers.

4

Start Tab

Orders are marked ready and the guest is notified.

5

Order More

Order is run to table, or guests are instructed to pick up.
